Celebrating Mustang Hobbyist and Their Cars Since 1977

AUGUST CAR OF THE MONTH

John Justin's 1970 Boss 302

Bought my first Mustang a 1965 GT Fastback in 1981 and owned it for over 20 years. Mistakenly sold it when my kids were very young. Now that my kids are grown, I wanted to get another Mustang. Purchased a Rangoon red 65' GT FB and a week later this 1970 Boss 302. I always wanted a yellow Boss and found it on a Boss 302 Facebook group page in West Virginia. It was owned by Matt Taylor from American Mustangs. It was in very good condition.

A few months after purchasing I was able to bring it to the VMOA show 2022 and park next to a couple of other 1970 Boss 302's and befriended John Crivello who owned the Calypso Coral Boss. The last three years have been pretty much nonstop working with he and Dead Nuts On owner, Jack Brooks to take a very good car and make it better.

Added the Goodyear Polyglas tires, original hood tach, new Centerforce clutch, many engine components to original including smog, alternator, vacuum advance, space saver spare, interior and so much more it's almost too much to list.
