## SEPTEMBER CAR OF THE MONTH

### Monica & Eric Casucci's 1967 Mustang Coupe

My name is Eric Casucci, husband to Monica and proud father of two boys. Their names are Eric and Mason. We own a 1967 Ford Mustang Coupe. When I was in my twenties, I owned a 67 and rebuilt it. It was ivy gold, and I put a white vinyl top on it. Re did the two-tone interior to white and light green. At the time I didn't realize what I had and sold it for 3500 to get a truck as I was moving to Reno. Thinking I could always get another, boy was I mistaken. A little over a year ago, my wife and I were driving and passed by an ivy gold Mustang with for sale signs. I thought immediately turned around to look at it. I took down the phone number and called the gentleman that owned it, and he went over the story of it. Long story short and now sits in my garage. I have put a new carpet in and replaced a few interior items, placed a sound system in it to play my doo-wop oldies, and Elvis. tinted the windows, put a few gold-plated emblems on, and put new rims and tires. I tuned up the engine to where it runs very smooth and eventually will clean that department up visually. I wanted a car that my children can grow up helping me fix up and hopefully pass it onto one of them. We enjoy riding with the windows down with a cool breeze. We named it, the Casucci Coupe!
